Supporting
the ministry of
Bethany Gillespie

stewardship®

This leaflet explains how you can join with Stewardship to support a wide range of Christian charitable endeavours.

This service is carried out by Stewardship, as part of our mission to encourage good stewardship, the responsible management of funds and the release of giving to advance the work of God.

If you have any questions not addressed inside, do contact the person who gave or sent you this form.

How does it work?

We have assessed this individual as being eligible for funding from Stewardship to support their ministry. You can make gifts into an account with Stewardship on which we reclaim tax worth around 25% under Gift Aid (providing you are a UK taxpayer). We make regular payments to this individual, having considered the gifts received from supporters such as yourself.

Can anyone do it?

You need to be a taxpayer and pay enough income tax (at whatever rate) or capital gains tax in each tax year to cover the tax reclaimed on your giving. If you are not a taxpayer, you may still make non gift

aided donations using an account with Stewardship and no tax will be reclaimed on your giving. If you wish to make non gift aided donations, please do not sign the declaration on the application form and clearly indicate that we should administer your giving as non gift aided.

Is there any charge?

There is no direct cost to you. Stewardship retains 3% of the total gift from the reclaimed tax, before sending the rest of the tax to the Christian worker we support. However, for non gift aided donations, Stewardship will retain just 1.5% of the gift amount. A minimum deduction of £5 applies to all single gifts.

What are my obligations?

There is no legal commitment to continue. If for any reason you need to stop, you can.

What else should I know?

Your donations should not be based on the tax paid by another person (eg husband or wife) but by you personally.

If you cease to be a tax payer or to pay enough tax, you should notify Stewardship so that we do not reclaim too much tax on your giving.

You will be liable to refund HM Revenue and Customs if you have not paid the amount in tax

that we will reclaim on your gift.

Under the Gift Aid scheme, there are restrictions on giving to a worker who is a **close relative** (ie, your child, grandchild, parent, grandparent, brother, sister, or the spouse of any of these). If you are considering doing this, please check first with our office.

Funds in Sovereign Accounts belong to Stewardship. Charitable funds can only be used for charitable purposes, Stewardship therefore retains discretion in relation to any gifts we make.

2. Detach and keep the Direct Debit Guarantee.
